5<sup>th</sup> February 2021

Dear Parent/ Carer

We are unable to hold face-to-face Parents' Evenings again this term due to Coronavirus restrictions. To enable us to continue to provide you with an update regarding the progress of your child, we have made the decision to contact you via phone for a 1:1 parent consultation. During the phone call your child's class teacher will discuss how your child has been getting on with their remote learning and/ or learning in school. They will also advise you on ways that you can continue to support your child with their learning.

Telephone conversations will last between 5- 10minutes and there will be the opportunity for you to ask questions and discuss any concerns that you may have about your child. Should these go over 10 minutes then the class teacher will ask you to make another telephone appointment with them (at a later date) so that you can both continue the conversation. Teachers are limited in terms of time as they have been given specific slots to contact parents due to us only having two phone lines in school. We ask that you be understanding of this during the phone calls.

There is a list below of the dates that the teachers will be making their phone calls. Please ensure that you make every effort to be available to answer the phone during these times. We appreciate that some parents may have working commitments so if you are unable to be available on these days then please can we ask that you email [enquiries@isaacnewton-cit.co.uk](mailto:enquiries@isaacnewton-cit.co.uk), we will then seek to arrange an alternative appointment for you.

Teachers will not be available on Microsoft Teams on the days that they are making phone calls- there will also be no live sessions. Teachers will attempt to ring as many parents as possible on the earlier date but it is a possibility that you may not receive your phone call until the later one. Should teachers not be able to contact you in the first instance then they will attempt to ring again on the second date.

We are very much looking forward to getting in touch with you and discussing your child's progress. If you have any concerns or questions in the meantime then please do not hesitate to get in touch.

Kind regards

Chris Heathcote  
(Headteacher)
